EDUCATION

**Technological Educational Institute, Larisa,
Greece**

February 2001- December 2005

Undergraduate student of Civil Infrastructure
Engineering.

PROFILE

Private sector's tutoring of English as a foreign language has been my main employment up to present date. I am 39 years old, currently seeking alternative job opportunities of new different fields and aspects. I frankly believe I can handle any possible situation with grace and proficiency.

EXPERIENCE

Private School of English, Karditsa, Greece

September 2006- September 2019

Teaching Assistant

Teaching English language to large groups of students in class and individually by means of private tutoring, as well as, by using interactive teaching methodology on a personal computer system.

LANGUAGES

Greek- Native

English- Proficient level

Italian- Intermediate advanced level

French- Intermediate advanced level
