
Jadiss EL ANTAKI

CUSTOMER CARE
REPRESENTATIVE

ABOUT

Seeking new opportunities in the telecommunications industry, I bring to the table a unique blend of quadrilingual proficiency and technical expertise, complemented by strong communication skills.

Work Experience

Content Moderator (2024-Present)

Foundever

As a Content Moderator since 2024, I engage in ensuring online platforms maintain appropriate content standards.

[Used languages \(Italian – English\)](#)

Customer Care Representative (2022-2024)

Teleperformance

My main responsibilities include assisting customers with the usability of our services and providing technical support to resolve any issues they encounter while using our technology

[Used languages \(Italian – English\)](#)

Graphic Design Freelancer (2022-2023)

AdWeb.ma

My main task is crafting visually compelling designs that effectively communicate messages and ideas across different mediums.

Inventory Supervisor (2020-2022)

RGIS

I oversaw and managed inventory operations with precision and efficiency.

Educational History

Bachelor of Computer Science (2019-2022)

Universita di Torino

I pursued a Bachelor of Computer Science at Università di Torino, laying the foundation for my expertise in the field.

Bachelor of Banking and Finance (2012-2015)

University Hassan 2

The program covered fundamental principles and practices in banking, finance, and economic systems.

High School Diploma (2009-2012)

AN-NASR

In my High School Diploma in Mathematics and Engineering Sciences, I gained vital knowledge in math and engineering, setting the stage for future studies and careers in engineering, technology, or applied mathematics

High School Mathematics Teacher (2015-2017)

Yassamine High School

I had the privilege of teaching high school mathematics at Yassamine High School, where I helped students explore the wonders of math in a supportive and enriching environment.
